

Carroll Shelby

Carroll Shelby moves over at 89, May 10, 2012.

What a splendid event that the Triumph Owners Club of Queensland organised at Lakeside. Neville Smith and his team are to be congratulated for their efforts. While the weather was brilliant, the cars were spectacular. All classic car owners are a special lot. They love their vehicles and always put in a great effort to maintain and display their beauties.

I wish to thank the members of our club who participated and I know all who attended really enjoyed the day. Steve Graham wishes to pass on some photos to a friend in the CAT Club in the USA. His Series V performed very well along with Bob Otto's Tiger. Geoff Heath took his son, David along again this year and his Alpine attracted plenty of attention. There were two Fastback Rapier driven by Rod Graydon and his friend Reg. Rod will be taking his orange Rapier to Leyburn in August. Peter Prasser took his friend, John along for the ride in the Vogue Sports. Our newest member, James Smith drove his 1967 Hillman Minx and many in the crowd liked what they saw. We welcome James to the club.
